

Perseids Meteor Shower Stargazing Public Night

Join Us --- All Welcomed!

Friday, August 12, 2016

8:00 – 11:00 p.m.

Binbrook Conservation Area

No telescope required, just bring a blanket. A **food donation** for the local food bank would be appreciated. And please, no pets.

Watch the night come alive with the Perseids Meteor Shower. See meteors fire through the sky, gaze through telescopes and touch space rocks. This event is weather dependent, no rain dates are scheduled.

Free admission
